

UNITED STATES DISTRICT COURT
CENTRAL DISTRICT OF CALIFORNIA

11 KENNETH DAVIDSON,

12 Plaintiff,

13 v.

14 CANNATRUST GROUP LIMITED
15 LIABILITY COMPANY D/B/A TREES ECHO
16 PARK; CENTENNIAL HOLDINGS LLC; and
17 DOES 1 to 10,

Defendants.

Case No.: 2:24-cv-04818-MEMF-SSC

**ORDER TO SHOW CAUSE WHY THE
COURT SHOULD NOT DECLINE TO
EXERCISE SUPPLEMENTAL
JURISDICTION OVER PLAINTIFF'S
STATE LAW CLAIMS**

20 On June 7, 2024 Plaintiff Kenneth Davidson filed a Complaint against Defendants
21 Cannatrust Group Limited Liability Company D/B/A Trees Echo Park; Centennial Holdings LLC;
22 and Does 1 to 10 asserting: (1) a claim for injunctive relief arising out of an alleged violation of the
23 Americans with Disabilities Act (“ADA”), 42 U.S.C. §§ 12010–12213; (2) a claim for damages
24 pursuant to California’s Unruh Civil Rights Act (“Unruh Act”), Cal. Civ. Code §§ 51–52, *et seq.*; (3)
25 a claim for damages pursuant to the California Disabled Persons Act, Cal. Civ. Code § 54, *et seq.*;
26 (4) a claim for damages and injunctive relief pursuant to the Cal. Health & Safety Code § 19955, *et
27 seq.*; and (5) a claim for negligence. ECF No. 1. The Complaint alleges that this Court has
28

1 jurisdiction over the ADA claim pursuant to 28 U.S.C. §§ 1331 and 1343, and that the state law
 2 claims are brought “pursuant to pendant [sic] jurisdiction.” *Id.* at ¶¶ 6–7.

3 Principles of pendent jurisdiction have been codified in the supplemental jurisdiction statute,
 4 28 U.S.C. § 1337. The supplemental jurisdiction statute “reflects the understanding that, when
 5 deciding whether to exercise supplemental jurisdiction, ‘a federal court should consider and weigh in
 6 each case, and *at every stage of the litigation*, the values of judicial economy, convenience, fairness,
 7 and comity.’” *City of Chicago v. Int’l Coll. of Surgeons*, 522 U.S. 156, 173 (1997) (emphasis added)
 8 (quoting *Carnegie-Mellon Univ. v. Cohill*, 484 U.S. 343, 350 (1988)).

9 California law sets forth a heightened pleading standard for a limited group of lawsuits
 10 brought under the Unruh Act. *See* Cal. Civ. Proc. Code §§ 425.55(a)(2) & (3). The stricter pleading
 11 standard requires certain plaintiffs bringing construction-access claims like the one in the instant
 12 case to file a verified complaint alleging specific facts concerning the plaintiff’s claim, including the
 13 specific barriers encountered or how the plaintiff was deterred and each date on which the plaintiff
 14 encountered each barrier or was deterred. *See* Cal. Civ. Proc. Code § 425.50(a). A “high-frequency
 15 litigant fee” is also imposed on certain plaintiffs and law firms bringing these claims. *See* Cal. Gov’t
 16 Code § 70616.5. A “high-frequency litigant” is “a plaintiff who has filed 10 or more complaints
 17 alleging a construction-related accessibility violation within the 12-month period immediately
 18 preceding the filing of the current complaint alleging a construction-related accessibility violation”
 19 and “an attorney who has represented as attorney of record 10 or more high-frequency litigant
 20 plaintiffs in actions that were resolved within the 12-month period immediately preceding the filing
 21 of the current complaint alleging a construction-related accessibility violation.” Cal. Civ. Proc. Code
 22 §§ 425.55(b)(1) & (2). High frequency litigants are also required to state: (1) whether the complaint
 23 is filed by, or on behalf of, a high-frequency litigant; (2) in the case of a high-frequency litigant who
 24 is a plaintiff, the number of complaints alleging construction-related accessibility claim filed by the
 25 high-frequency litigant during the 12 months prior to filing the instant complaint; (3) the reason the
 26 individual was in the geographic area of the defendant’s business; and (4) the reason why the
 27 individual desired to access the defendant’s business.” *See id.* § 425.50(a)(4)(A).

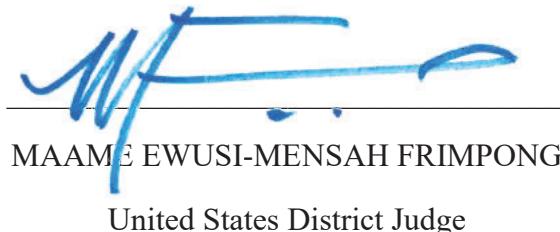

1 In light of the foregoing, the Court orders Kenneth Davidson to show cause in writing why
2 the Court should exercise supplemental jurisdiction over the Unruh Act claim, the California
3 Disabled Persons Act claim, the California Health and Safety Code claim, and the negligence claim.
4 *See* 28 U.S.C. § 1367(c). In responding to this Order to Show Cause:

- 5 1. Davidson shall identify the amount of statutory damages Plaintiff seeks to recover.
- 6 2. Davidson and Davidson's counsel shall also support their responses to the Order to Show
7 Cause with declarations, signed under penalty of perjury, providing all facts necessary for the
8 Court to determine if they satisfy the definition of a "high-frequency litigant" as provided by
9 California Code of Civil Procedure sections 425.55(b)(1) & (2). This includes, but is not
10 limited to:
 - 11 a. the number of construction-related accessibility claims filed by Plaintiff in the twelve
12 months preceding the filing of the present claim; and
 - 13 b. the number of construction-related accessibility claims in which Plaintiff's counsel
14 has represented high-frequency litigant plaintiffs in the twelve months preceding the
15 filing of the present claim.

16 Davidson shall file a Response to this Order to Show Cause by no later than fourteen days
17 from the date of this order. The failure to timely or adequately respond to this Order to Show Cause
18 may, without further warning, result in the Court declining to exercise supplemental jurisdiction over
19 the Unruh Act claim, the California Disabled Persons Act claim, the California Health and Safety
20 Code claim, and the negligence claim pursuant to 28 U.S.C. § 1367(c).

21
22 **IT IS SO ORDERED.**
